

Return Policy

To return unused portion, for 100% refund:

To return a purchased item, follow the steps below:

- 1. Email us with your order number and state which items you would like to return. We will provide you with a free shipping label.**
- 2. Make sure the items you're returning do not have any visible signs of use and have the original tags on.**
- 3. Package the products into their original packaging.**
- 4. Put the products into shipment packaging and stick the provided return shipping label on it.**
- 5. Bring your package to the post or order a free pick-up from your location.**

We will need 14 days to process your return and assess it for eligibility. After it has been accepted, we will send you an email and your refund should be in your account within 7 to 14 days depending on your bank.
